Next Steps

You should consider whether the above trademarks are the same or deceptively similar to your proposed trademark application. Note that even if there is an identical conflicting trademark, you may still be able to gain registration of your mark under certain circumstances, such as by being able to show prior use, having the earlier mark removed for non use, obtaining a letter of consent from the owner, other circumstances and the like.

If you have any questions or require a professional review, please contact us at support@trademarken.co.uk.
